

## ASCE-IGS STUDENT POSTER COMPETITION

Mahindra École Centrale (MEC), Hyderabad is conducting a poster competition as part of the ASCE-IGS student events. The poster competition consists of a visual display of projects/research findings/innovative ideas in the domain of civil engineering, combined with an interactive session with the panel of experts. This year the poster competition is being held on 31<sup>st</sup> August alongside the national conference, FACE-2019. Participants of the poster competition must submit the soft copy of the poster by email on or before 20<sup>th</sup> August, 2019 and selected posters will be announced on 22<sup>nd</sup> August, 2019. Participants of the selected posters need to be registered by 26<sup>th</sup> August by paying the registration amount of INR 2000 per team. The registration fees includes access to conference sessions, registration kit, certificate, tea and lunch.

### Competition Rules:

- Participants will print the posters only in the format provided by the Student Chapter. A poster team can comprise a maximum of three students.
- Participants must bring their posters to the event and remain with their posters for the duration of the poster viewing session, as indicated in the technical program of the event.
- Before and after the completion of judging, the posters of all competitors will be displayed in the foyer/lobby for the attendees of the FACE2019 conference to view.
- Participants are responsible for disassembly and removal of the poster following the viewing session.
- The organizers will supply each team with a white 40"x60" foam core poster board, easel, and mounting materials such as tape or push pins.
- All illustrations and text must be readable from a distance of 3 feet.
- Participants will be given a ten-minute window to showcase their projects with the judges. Judging sessions will consist of a five-minute presentation given by the competitor plus a five-minute question-and-answer period.

### The poster can include the following:

- Title
- Names of author(s) and affiliated organization(s)
- Abstract (summary of the idea)
- Background Information
- Project Objectives
- Materials and Methods
- Results (tables, graphs, charts)
- Conclusions
- Discussion of possible future directions

### PRIZES:

First and second ranked posters will be awarded a cash prize of **10,000 and 5,000 INR.**
